FIBERGLASS UST SUMP COLLARS

Petroleum Containment's 42" Fiberglass Tank Collars provide an easy and reliable method for mounting PCI's single STP piping sumps directly to fiberglass or steel tanks.

FEATURES:

- **PRECUT FOR EASY INSTALLATION** – Tank collars are factory cut to fit directly onto 8' and 10' diameter underground storage tanks without modification.
- **EPOXY BONDING TROUGH** – Makes water-tight sump installations as simple as a single epoxy pour.
- **RIGID CONSTRUCTION** – Made from UL listed Isophthalic Fiberglass materials with a thick sidewall construction; the collar will provide a sturdy mount while installers work inside the sump.
- **STACKABLE DESIGN** – Reduces shipping and inventory costs.
